Re: Request for a hearing in AD 61 on Tehachapi Renewable Transmission Project

Dear Chair Bradford:

On behalf of the residents of AD 61, I'm writing to request an informational hearing of the Assembly Committee on Utilities and Commerce to examine the Tehachapi Renewable Transmission Project (TRTP). The TRTP has generated significant community concerns given the project impacts on neighborhoods, property values and potential health and safety risks to residents.

I respectfully request an informational hearing in my district to allow the impacted residents an opportunity to participate in this important discussion and better understand all the issues surrounding the project.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Norma J. Torres".
